1. BA Survey report (MB)

- a. Events are good in general. Jazz night had the most 'ok' responses we can try to do better here.
- b. People would appreciate more networking events within College, with postdocs and fellows.
- c. Involving spouses and partners: invite them to events where participation is not limited, like brunches. Add the option on signup forms to request a place for the +1 and whether or not the person would still attend even if the guest can't get a place.
- d. Many people would appreciate events over the Christmas and Easter breaks we need to discuss the possibilities with College (room booking)
- e. Catering: formals are great, normal food isn't. Sofia will bring this to the next Food Committee meeting. Some requested non-alcoholic choices at the dinners too Sofia to ask.
- f. Academic support: organise tea with college contacts after lunch, welfare/career event with fellows at some point.
- g. Accommodation many people finds that communication with the Accommodation Office is not always smooth. People in general like the rooms and the facilities. Kitchens are highly appreciated.
- h. Bar has improved a lot, the staff are really nice. Some people don't like the music and find that the sound system is not the best quality.
- i. Gym: ventilation would be much appreciated, better equipment too. Some dream about a swimming pool.

2. BA Rooms

a. Works dept. removed everything we wanted to be removed.

- b. Old TV to Pierce Hostel A common room: current occupants like the idea. Alison thinks we don't need a licence if it's offline but she needs to confirm.If we don't need a licence, TV goes to Pierce, if we do, we're not so keen.
- c. Time to get rid of everything we don't need: Filip+Brieuc will do this.
- d. Library needs to know how many DVDs to expect
- e. Laura from Works sent us colour samples we need to pick colours for the walls and the cupboard doors.
- f. Investigate whether or not we can change the carpet.
- g. Sound elimination is in progress
- h. Mark takes old computer to computing office
- i. Need to get the tablet and a spotify subscription
- j. Everyone thinks about what they want in ba rooms, Ravi and Filip do budgeting, deadline friday 26 midnight.
- 3. Accounts update
 - a. On Asana
 - b. Next brunch is covered
 - c. Sporting events zorb foootball
 - d. Catering invoices Ravi talks to Catering dept.
- 4. Ticketing system On Asana. We're largely in favour of getting rid of spouses and allow one guest ticket from day 1.
- 5. Round church survey to be sent out with accommodation database request. We need to offer a prize, we will choose from the BA room leftovers
- 6. MCR bar crawls are being organised by other colleges, to happen around freshers week hill colleges, Grange Road. Filip will keep in touch.
- 7. Rozi to add welfare people to welfare facebook group
- 8. Stash for freshers' week
 - a. £350 max
 - b. Get it online
 - c. Black! BA soc logo embroidered, position on sleeve? to discuss
- 9. Need photos from Olivia, Talia and Ravi for Rough Guide.

9pm 30 August next meeting, FW responsibilities, events planning for next year.
